

For moms with children birth through kindergarten

becoming better moms  
making a better world

**MOPS PURPOSE STATEMENT**

MOPS International exists to encourage, equip and develop every mother of preschoolers to realize her potential as a woman, mother and leader in the name of Jesus Christ.

**2011-2012 THEME**

MOPS invites you to join in the learning process as together we explore **MomSense: Bold - Loving -Sensible.**

- How do I decide what to do when I really don't know what to do?
- Should I trust my intuition?
- With so much available information, how do I discern what's best?
- What are the most important family values?

Developing a mothering strategy is somewhat like playing a game-and this year's theme is appropriately game related. Have fun being a mom! Playing games involves being bold and taking risks, loving those in the game with us and being sensible while figuring out what works and what doesn't.

Just as in real-life, sometimes in games,unexpected,"chance" events occur, abruptly changing our paths. We must regroup and determine our next steps. Sometimes we follow the instructions of "experts." Sometimes we follow the advice of trusted friends. Sometimes we decide our "house rules" work best for our family. Teaming together with our moms is a great strategy. Relying on a spouse or mentor can help us play more effectively. And, most of all, developing a strong God-Sense is essential for mothering. Growing as a mom through the analogy of game playing assures every mom gains confidence in her abilities as a mom.

**Combining her mom intuition and her common sense helps a woman discover her own unique MomSense.**

**(Mom Intuition+ Common Sense= MomSense)**

The spiritual foundation of the theme is from 2 Timothy 1:7.
