Pastor Bruce

I am so glad you've chosen to worship with us as we continue our teaching series, *Q – Tough Questions About God, Faith and the Bible*. Today we welcome Sean McDowell as he addresses one of the most widely discussed topics of all time: 'Where did we come from?'

Sean is an educator (Capistrano Valley Christian Schools, CA), an author of numerous books, a student (pursuing Doctorate in Apologetics & Worldview Studies), and a gifted communicator with a passion for reaching people with the Gospel message. He lives with his wife Stephanie and two children in San Juan Capistrano, CA.

If you are a guest with us, please stop by the Pastor Reception Area after the service. We also have an Information Center in the lobby that is staffed with folks who would love to help and answer your questions about Biltmore and our ministries. We are glad you are with us!

VBS is a great week of Bible teaching, skits, games, crafts, missions, and music—all designed to guide children in their walk with Christ. This year, join the gang on a deserted island as they try to get along with each other while they work on getting back home. You can register and find more information at www.SailOnVBS.org. VBS is for children 3 years old through 6th Grade. 5th and 6th graders have the opportunity to take part in VBX, which takes them out into the community to do service projects.
